Dear Parents,

Warm greetings from Doon School, Srinagar. Winter vacations are a wonderful time for children to slow down, enjoy family moments, and learn naturally through play and real-life experiences. Keeping this in mind, we have created a joyful, warm, and fully child-centric Winter Assignment for our LKG children.

This assignment is completely play-based and pressure-free. There is no formal homework. Learning will happen through moving, talking, helping, imagining, playing, and creating.
