

DOON SCHOOL SRINAGAR,

WINTER ASSIGNMENT (SESSION 2025-2026)

Class: UKG

Theme: Winter Wonders and Little Thinkers !

Dear Parents,

Warm greetings from Doon School, Srinagar.

To keep our children joyfully engaged during the winter vacation, we have designed a balanced Winter Assignment that includes creativity, life skills, language development and early numeracy. These activities will strengthen your child's confidence, thinking ability, communication and learning habits.

Kindly allow your child to complete the work independently as far as possible. Your encouragement and gentle guidance will help them enjoy learning.

5: MY FAMILY AND ME

Where to Do: Scrapbook

This theme helps children connect learning with their daily life at home. Through simple scrapbook activities, children express their experiences, feelings, and relationships with family members.

My Winter Morning

Children paste or draw a picture showing how they start their winter morning at home. This may include waking up in a warm blanket, brushing teeth, drinking warm milk, praying, or getting ready for school. Parents can help the child talk about the picture and write one or two simple lines dictated by the child.

Skills developed: self-expression, routine awareness, speaking

My Favorite Winter Food

Children paste a picture or draw their favorite winter food such as soup, porridge, dry fruits, or any home-made winter dish. They talk about why they like it and when they eat it. Parents can write the child's words below the picture.

Skills developed: vocabulary building, choice making, healthy food awareness

My Favorite Winter Game

Children draw or paste a picture of a game they enjoy playing during winter, such as indoor games, playing with siblings, or quiet play activities. The child talks about who they play with and how the game makes them feel.

Skills developed: emotional expression, imagination, social connection

My Helping Day at Home

Children paste or draw a picture showing how they help at home, such as arranging toys, helping in the kitchen, watering plants, or keeping their room clean. Parents encourage the child to talk about the activity and appreciate their effort.

Skills developed: responsibility, confidence, family bonding

Learning Focus

These scrapbook activities encourage children to talk about themselves, use simple sentences, develop fine motor skills, and strengthen their bond with family members in a warm and meaningful way.

SECTION 5: MY FAMILY AND ME

My Winter Morning

Example: Drawing of brushing teeth, drawing of soup, drawing of playing with parents

6:CONVERSATION PRACTICE

Daily Oral Speaking Practice

Parents should encourage children to speak during daily activities.

Start with simple sentences like:

- How are you? I am fine.
- May I drink water?
- Please open my bottle.

- Thank you for helping me.
- I am feeling cold.
- May I play outside?

Talk to your child often, ask simple questions, and encourage full sentences. Create more everyday conversations to help the child speak confidently.

7: SUGGESTED MOVIES & CARTOONS

Where to Do: At home with parent supervision

Movies: Frozen, Finding Dory, Kung Fu Panda, Stuart Little, Jungle Book

Cartoons: Tom and Jerry, Chota Bheem, Dora the Explorer, Motu Patlu

Parents are encouraged to talk with the child about the movies and cartoons watched. Ask simple questions and motivate the child to answer in short sentences.

Examples of Questions:

- **Who is your favourite character?**
- **What happened in the story?**
- **Was the character happy or sad?**
- **What did you like the most?**
- **Who helped the character?**

This helps improve listening, thinking, and speaking skills in a fun and natural way.

Instructions & Guidelines for Parents

- **Allow your child to do the work independently.**
- **Guide gently through conversation, not by doing the work.**
- **Focus on effort and enjoyment, not perfection.**
- **Encourage daily speaking and sharing.**
- **Keep learning playful and stress-free.**
- **Ensure safety during activities.**
- **Label notebooks and scrapbooks properly.**

Learning Outcomes

Children will be able to:

- **Express feelings and ideas confidently.**
- **Use polite sentences and improve vocabulary.**
- **Read simple words and form short sentences.**
- **Understand basic concepts like hot-cold and big-small.**
- **Count numbers and do simple addition and subtraction.**
- **Develop creativity, independence, and life skills.**
