CHAIRMAN'S MESSAGE

A thought, that actualised itself in form of Doon School Srinagar way back in 2014, has now come a long way. The parental support infused in us the desire to explore new horizons and delve into global arenas of education that the valley has been anticipating all this while.

We express our deep gratitude to the Wilmot Foundation -Netherlands, whose support and vision have helped elevate our standing on the global educational map. Their belief in our mission has empowered us to think big, act locally, and lead globally.

We remain committed to providing an education that prepares our students for a rapidly changing world, equipping them with the skills, knowledge, and values needed to succeed.

I, along with my parent community and awaiting little friends, look forward to a highly rewarding session at Doon School Srinagar that promises superior educational climate.

My best wishes.

WELCOME TO DOON SRINAGAR

Established in 2014 under the aegis of the Akbar Education Trust, Doon School Srinagar has swiftly emerged as prominent educational institution in India, featuring world-class infrastructure.

It is an English-medium, co-educational school catering from LPD to Class XII, following the Central Board of School Education (CBSE). Its strategic location in HMT, Srinagar, away from urban distractions, provides an ideal environment for focused learning and holistic development.

The facilities and buildings of the school are superb but it is the people who make Doon School Srinagar such a special place. We aim to provide exceptional educational experiences in a happy, caring and safe environment that supports and guides all children, to enable them to reach their full potential, both academically and personally.

We see ourselves at the heart of the community and are proud of the strong links we have with the National and the International Communities. We firmly believe that education is a partnership between home and school. Together we can work for the benefit of your child's education.

The school prides itself on the care it provides for our youngsters and the range of extra-curricular opportunities available.

We are a very inclusive school where every child matters. Early experiences in LPD block lay crucial groundwork that shapes children's future growth and success, so we believe it is essential that the first experiences at Doon School Srinagar are both enjoyable and of the highest quality.

Warm regards,

A. Kamili
Principal

Wilmot Collaboration

We are excited to highlight our recent collaboration with the Wilmot Foundation - Netherlands, a partnership that enriches our educational landscape in several significant ways.

About Wilmot Collaboration

The Wilmot Foundation, renowned for its commitment to educational excellence and innovation, has partnered with Doon School Srinagar to enhance our academic and extra curricular programs.

This collaboration aligns with our mission to provide a holistic and forward-thinking education.

*Stronger Partnerships.
Brighter Futures.*

Welcome to LPD WING of Doon School Srinagar

Choosing your child's first educational journey is a significant milestone. Let us share what makes Doon School Srinagar an exceptional beginning for your child.

Our nurturing environment celebrates each child's unique potential, creating a foundation where every young learner thrives. Through personalized attention and close partnership with parents, we ensure your child's educational journey aligns with your family's aspirations.

Our thoughtfully designed indoor and outdoor spaces spark curiosity, encourage exploration, and foster meaningful friendships in a secure, joyful setting. These early experiences at Doon School shape more than just learning – they cultivate confidence, creativity, and a lifelong love of discovery.

OUR FACILITIES

We have a variety of carefully planned and resourced areas that offer a rich, exciting and interactive learning environment in which your child can explore, discover and learn through play.

At our school, excellence in teaching drives student success. Our comprehensive professional development program, which includes 25 specialized training sessions every year, ensures our educators stay at the forefront of innovative teaching practices. We're continually expanding these opportunities to meet evolving educational needs.

Our commitment to personalized attention is reflected in our thoughtful student-teacher ratio - two dedicated educators for every 20 students in lower classes.

This approach ensures each child receives individual attention and support, fostering optimal learning outcomes.

A Happy, Safe and Caring Environment

WORKING, Sharing & *Growing Together*

HIGH QUALITY LEARNING EXPERIENCES

Children are better learners when they feel happy and secure. We place vital importance on the physical and emotional well-being of our pupils.

EXCELLENT FACILITIES

From smart board-enabled classrooms to advanced computer and science laboratories, our comprehensive facilities provide students with the technology and resources needed to excel.

A WIDE RANGE OF EXTRA CURRICULAR ACTIVITIES

The school offers a wide range of extra curricular activities.

DAILY ROUTINE

A good routine contributes to a child's security. Our day is organised so that children enjoy a calm atmosphere, know what to expect and what is expected of them.

A typical session in LPD will include:

- **Key group time**
- **Child initiated/focus activities (indoor and outdoor)**
- **Tidy up time**
- **Story/rhymes/songs/weekend feedback**

LPD practitioners meet on a weekly basis to discuss children's interests and areas for development incorporating this into the plan of activities.

Young learners are regularly engaged in activities like trips to local parks and use of school facilities such as musical park, ball pool, library, computer lab, play field, puppet shows and many more.

Stimulating Experience

THE CURRICULUM

Learning Through Play

The Early Years Foundation Stage (EYFS) is a framework which supports your child's learning and development from birth to five years. The framework is based on three important characteristics of Learning.

CHARACTERISTICS OF EFFECTIVE LEARNING

Playing and exploring - engagement

Finding out and exploring
Playing with what they know
Being willing to 'have a go'

Active learning - motivation

Being involved and concentrating
Keeping trying
Enjoying achieving what they set out to do

Creating and thinking critically - thinking

Having their own ideas
Making links
Choosing ways to do things

Play is vital for children. It is through play that young children learn, grow, gain confidence and have fun. The EYFS helps us to provide appropriate play experiences to enable children to develop in all areas. It enables us to recognise children's strengths and areas they may need more support to develop new skills.

The activities we provide for children will prepare them to progress with confidence and underpin the skills they need to work towards the Early Learning Goals.

Each individual child will learn through high quality play, that is tailored to their individual needs. Learning and development are split into two areas, three prime and four specific. Please see the table below for further information.

Area of Learning & Development	Aspect
PRIME AREAS	
Personal, Social and Emotional Development	• Making relationships • Self - confidence and self awareness • Managing feelings and behaviour
Physical Development	• Moving and handling • Health and self care
Communication and Language	• Listening and attention • Understanding • Speaking
SPECIFIC AREAS	
Literacy	• Reading • Writing
Mathematics	• Numbers • Shape, space and measure
Understanding the World	• People and communities • The world and technology
Expressive Arts and Design	• Exploring and using medial & materials • Being imaginative

Working Together

We operate a key person system; this ensures that there is a named person (co-ordinator) who will work closely with you and your child.

The key person system enables your child to experience consistent interactions and expectations. This kind of experience is important for children moving between the world of home and school where the environment and routine may be different.

Children do best when parents and professionals work together. You know more about your child than anyone else. We actively encourage you to share experiences or raise any concerns you may have with co-ordinator or any other member of staff.

ASSESSMENT POLICY

The school enforces a very transparent and realistic promotion policy based upon:

- A continuous observation and record of the child throughout the session.
- The record and growth parameters are shared in regular intervals with parents.
- Periodic checks (tests/ exams). The results are shared with parents.
- The notable assessment feature: each child is judged and promoted to the next level only after ascertaining his/ her growth in areas:
 - Social
 - Academic
 - Emotional
- The curriculum and the syllabus ensure the high degree of skills in “spoken English” and the levels of communication with special focus on grooming of social etiquettes.

ADMISSION PROCESS

- The candidate should register at school's reception desk.
- The duly filled form has to be deposited with the required documents.
- The child and the parents will be expected to go through a very congenial interaction/ interview in order to ascertain the achievements level of the student.
- The date and day for such interaction will be duly informed.
